DETAILED ACTION

Election/Restrictions

1. The election of Group II, directed to Claims 22-39, is acknowledged. An action on these claims follows.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

((e) the invention was described in-

(1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effect under this subsection of a national application published under section 122(b) only if the international application designating the United States was published under Article 21(2)(a) of such treaty in the English language; or

(2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that a patent shall not be deemed filed in the United States for the purposes of this subsection based on the filing of an international application filed under the treaty defined in section 351(a).

3. Claims 22-39 are rejected under 35 U.S.C. 102(e) as being anticipated by Liff.

Liff discloses the drug dispensing system as follows.

As described in Claims 22, 31, 32 and 36;

1. a controller (314);
2. a reservoir of pharmaceutical (20);
3. a drug delivery mechanism (see figures 5-6c);
4. a data network interface coupled to said controller (see figure 13a);

As described in Claims 23, 24, 31-34, 37, 38 and 39;

5. sending messages to and from a health care service provider or drug supplier (see figure 14T, for example, noting payors, doctors, inventory and refills have files for information pertaining thereto),
6. said data message identifying the patient and the identity of the particular drug (see figure 14K, for example);

As described in Claim 25;

7. a human/display interface (see figures 14A-14T);

As described in Claims 26, 27 and 35;

8. effecting payment for the provision of health care service or for a drug (see col. 18, lines 4-17);

As described in Claim 28;

9. the message is transported over the internet (see figure 18);

As described in Claim 29;

10. the message is transported via wireless (see col. 8, line 24;

As described in Claim 30;

11. a pharmaceutical level detector (182), see figure 7c;
